

## GRC Survey

### Empowerment

INSTRUCTIONS: The purpose of this survey is to capture the atmosphere, ideas and recommendations of the DTSA workforce and provide the Director a sense of the organization's perception on "Empowerment" and whether DTSA is heading in the right or wrong direction. "Empower" has two meanings and this survey addresses both: 1) to invest with power, especially legal power or official authority; 2) to equip or supply with an ability; to enable. The survey responses will be anonymous. Please respond, but only once.

1 –low / poor

3 – average/medium

5 – high / great
