Pursuit of Al Qaida Senior Leadership

Plan

Progress

✘ Joint Intelligence Task Force for Combating Terrorism (JITF-CT) focused on fusing intelligence

✘ Counterterrorism Campaign Support Group (CTCSG) stood-up and focused on integrating intelligence and operations

✘ Briefed initiative through key Deputies

✘ Ready for Principals

Approach

✘ First: Streamline internal US government approval process by:

N Focus efforts on a limited number of terrorists

N Integrating intelligence & operational planning

N Use pre-approved authorities and a rapid decision making process

N Match best US and foreign resource to each mission

✘ Then: Develop strategies to obtain host nation consent on a case-by-case basis for selected countries to conduct necessary operations

Iraq

UN Monitoring, Verification, and Inspection Commission (UNMOVIC)

- ✘ Earlier this week, the UNMOVIC was briefed on US readiness to support their mission with a concept of operations for aerial surveillance support using U-2 and Predator aircraft

Weapons Inspections

- ✘ In an effort to ensure the safety of the UN Weapons Inspectors, procedures have been developed to deconflict ongoing Operation Northern Watch and Operation Southern Watch missions with inspector activities

War Preparations

- ✘ Planning continues in the event military force is necessary in Iraq
- ✘ US maintaining a sizable and growing force presence in the region
- ✘ Military presence serves as credible deterrent to potential terrorists operating from Iraq
- ✘ Coalition support for access, basing, overflight, and forces being sought
- ✘ Coalition involvement is key to victory in Iraq
- ✘ International support for US counterterrorism efforts essential
