## Acknowledgments

Defense Manpower Data Center (DMDC) is indebted to numerous people for their assistance with the *2010 Military Family Life Project: Couples*, which was conducted on behalf of the Office of the Under Secretary of Defense for Personnel and Readiness (OUSD[P&R]). The survey program is conducted under the leadership of (b)(6) Director, *Human Resources Strategic Assessment Program* (HRSAP).

Policy officials contributing to the development of this survey included (b)(6) and (b)(6) (Military Community and Family Policy).

DMDC's Survey Design, Analysis & Operations Branch, under the guidance of (b)(6) Branch Chief, is responsible for the development of questionnaires used in the survey program. The lead survey design analyst was (b)(6). She designed the unique presentation of complex items used in this tabulation volume. (b)(6) Team Lead of Survey Operations, is responsible for the survey database construction and archiving. The lead operations analyst on these surveys was (b)(6).

DMDC's Statistical Methods Branch, under the guidance of (b)(6) Branch Chief, is responsible for developing the sampling and weighting methods used in the survey program. (b)(6) supervised the sampling and weighting processes and provided consultations and process control. The lead sampling analyst for these surveys was (b)(6) SRA International, Inc., who used the DMDC Sampling Tool to plan the sample and develop weights for these surveys. (b)(6) provided programming support for the sampling and weighting tasks. Data Recognition Corporation (DRC) performed data collection and editing.

(b)(6) SRA International, Inc., formatted and assembled this tabulation volume using DMDC's Survey Reporting Tool. A team consisting of (b)(6) and (b)(6) completed quality control for this tabulation volume.
