TALON Termination
Memo.pdf

Gentlemen, Good day. This morning we got word that Mr England had signed the Talon termination letter (attached). A press release was also written for dissemination regarding the termination of the Talon program (also attached). The Talon termination memo and the accompanying press release state that ASD HD ASA will be recommending a follow-on system for the Department and that in the interim the Components will be entering their information into the FBI Guardian system.

(b)(5)

Please let me know if there is anything I can do to help move this package forward.
